# Twisting Scoops: Authentic Turkish Ice Cream Now in India

## Taste the Original Turkish Delight

Twisting Scoops brings the rich, creamy, and stretchy experience of authentic Turkish ice cream to India. Made using traditional ingredients like salep and mastic, this ice cream is thick, chewy, and doesn't melt easily giving you a taste that's as unique as it is delicious.

## What Makes It Different?

Unlike regular ice cream, Turkish ice cream has a dense and elastic texture. At Twisting Scoops, this traditional recipe is followed to create an experience that's both fun and flavorful. Every scoop is natural, vegetarian, and made with fresh ingredients, no chemicals, no shortcuts.

## Fun & Flavor in Every Scoop

One of the most exciting parts of visiting Twisting Scoops is the entertaining way the ice cream is served. Skilled servers perform playful tricks and surprise moves before handing over your cone turning your dessert into a performance.

## Delicious Flavours to Try

Some of the best-selling and unique flavours at Twisting Scoops include:

- Rose Pistachio
- Baklava
- Gulkand Madona
- Ruby Chocolate
- Madagascar Chocolate

Each one is crafted with care and bursting with authentic taste.

## Available Across India

Twisting Scoops has grown rapidly, with outlets in multiple cities across India. It is the go-to spot for anyone wanting to enjoy Turkish ice cream in India, whether for the taste, the fun service, or both!
